

List of IIW MCS ISO 3834 Certified Companies in Australia and New Zealand

Company Name	ISO 3834 Level	Expiry Date	Products	Materials	Welding Processes	Cert. No.
A&B Welding Pty Ltd	Part 2-Comprehensive	02/07/2014	Piping systems, pressure vessels	Carbon steels, low V alloyed Cr-Mo-(Ni) steels, Cr-Mo steels, austenitic s/steels, duplex s/steels, copper-nickel alloys	MMAW, MIG, MAG, FCAW, TIG	AU 001
Topline Steel Fabrications	Part 2-Comprehensive	02/07/2014	Aluminium and steel structures	Carbon steels, austenitic s/steels, aluminium and aluminium alloys	MIG, MAG, FCAW	AU 002
Monadelphous Engineering Associates Pty Ltd	Part 2-Comprehensive	01/09/2012	Pipeworking and piping systems, process plant, storage vessels and tanks, overland pipelines, unfired pressure vessels, structural steel, mechanical conveying equipment, offshore structures	Carbon steels, quenched and tempered steels, Cr-Mo steels, austenitic s/steels	MMAW, SAW, MAG, FCAW, TIG	AU 005
Elliott Group of Companies	Part 2-Comprehensive	11/02/2012	Buckets for earth-moving equipment, unfired pressure vessels, pipework and piping systems, structural steel, gantry and signage structure steel, wind turbine towers, storage wells and waste heat boilers	Carbon steels, quenched and tempered steels, austenitic s/steels, aluminium and aluminium alloys	MMAW, SAW, MAG, FCAW, TIG	AU 006
Fingers Specialised Metal Fabrication	Part 2-Comprehensive	02/07/2014	Ship repairs, food processing equipment, hand railings, balustrades, earthmoving equipment, lifting equipment, pressure vessels, pressure piping.	Austenitic s/steels, duplex s/steels, aluminium and aluminium alloys	MIG, MAG, TIG	AU 007
CCR Group Pty Ltd	Part 2-Comprehensive	02/07/2014	Piping, structural steel, pressure vessels	Carbon steels, austenitic s/steels, duplex s/steels, Cu-Ni alloys, N-Fe-Cr alloys, Ti and Ti alloys	MMAW, SAW, FCAW-S, MIG, FCAW, TIG	AU 009
BHP Billiton Worsley Alumina Pty Ltd, Collie Refinery	Part 2-Comprehensive	12/05/2015	Pipe spooling, general fabrication, repairs to tanks and vessels, structural.	Carbon steels, quenched and tempered steels, Cr-Mo steels, austenitic s/steels, duplex s/steels	MMAW, SAW, FCAW-S, MAG, FCAW, TIG	AU 010
Transfield Services Resources and Energy, Kwinana Regional Service Centre (Workshop, Shutdowns and Turnarounds)	Part 2-Comprehensive	12/05/2015	Fabrication of pressure pipe and vessels. Structural fabrication.	Carbon steels, quenched and tempered steels, Cr-Mo steels, austenitic s/steels, duplex s/steels, Ni-Mo alloys, Ni-Cr alloys	MMAW, SAW, FCAW-S, MIG, MAG, FCAW, TIG	AU 011
UGL Resources, Kwinana Facility	Part 2-Comprehensive	10/06/2015	Pressure vessels, storage tanks, pressure piping (onshore and offshore), structural steelwork, offshore structures	Carbon steels, thermomechanically treated fine grain steels, quenched and tempered steels, low V alloyed Cr-Mo-(Ni) steels, Cr-Mo steels, high V alloyed Cr-Mo-(Ni) steels, ferritic, martensitic and PH hardening s/steels, austenitic s/steels, duplex s/steels, Ni alloy steels, aluminium and aluminium alloys, Cu-Ni alloys, pure Ni, Ni-Cu alloys, Ni Cr alloys, Ni-Mo alloys, Ni-Fe-Cr alloys, Ni-Cr-Co alloys, Ti and Ti alloys	MMAW, SAW, FCAW-S, MIG, MAG, FCAW, TIG	AU 012
GF Engineering Pty Ltd	Part 2-Comprehensive	9/11/2015	Pipe spooling. Pressure vessels. Structural steelwork. Chutes and plate-work.	Carbon steels, austenitic s/steels, duplex s/steels, Cu-Ni alloys, N-Fe-Cr alloys, Ti and Ti alloys	MMA, SAW, MIG, MAG, FCAW, TIG	AU 013
Monadelphous Engineering Pty Ltd 'Gladstone'	Part 2-Comprehensive	9/11/2015	Piping, structural steel and pressure vessels	Carbon steels, quenched and tempered steels, Cr-Mo steels, austenitic s/steels, duplex s/steels, aluminium alloys, nickel alloys	MMAW, SAW, FCAW-S, MIG, MAG, FCAW, TIG	AU 014
Sun Engineering (Old) Pty Ltd	Part 2-Comprehensive	16/09/2016	Structural steel, mining, oil and gas, power generation, and materials handling equipment.	Carbon steels, quenched and tempered steels, thermo-mechanically treated fine grain steels.	MMAW, SAW, FCAW-S, MAG, FCAW, TIG	AU 015
